

KGSS 2016 Vendor/Stallholder Application

Adelaide Roller Derby invites you to be involved with the highly anticipated return of the single largest international Roller Derby tournament in the world, The Great Southern Slam.

If you have a product or service that will be a good fit with the roller derby community and are keen to hire a stall, please fill out this application. We only offer hire for the whole event, not day by day. If you book a stall, plan on being there for the WHOLE event.

The KGSS 2016 Committee will have final say in the selection of all stall holders; we want to make sure the products/services you sell will be right for the event. Please note that you will not be able to sell any food or beverage products.

(Each registered league is already allocated a space in the League Merch Village as part of their event registration.)
